Fonté Coffee announced that the 2004 crop of Ethiopia Harrar is now available. The company describes the coffee as “a big cup with a lot of aggressive, varietal character, fruity, perfume-like aroma, full body, and deep winery acidity.” Also available from Fonté is Bahama Bama iced tea, a smooth blend of fruit extracts, natural flower petals, herbs, and Chinese black tea. For more information, call 206-762-0760, or visit www.fontecoffee.com.
